AGENDA ITEM HEADING:

Tree Board - Arbor Day Proclamation

BACKGROUND:

The City of Abilene has been recognized for the past 28 years as a Tree City USA Community by the National Arbor Day Foundation.

In order for the City of Abilene to achieve the Tree City USA status each year we are required to maintain a Tree Board and hold no less than four meetings per year, have a community tree ordinance, spend at least \$2 per capita on urban forestry, celebrate Arbor Day and have an Arbor Day Proclamation.

The Tree Board celebrates Arbor Day each year by educating all the 4th grade students at Eisenhower and St. Andrew's Elementary Schools with the Fourth Grade Foresters program. They also sponsor the Kansas Arbor Day Poster Contest for all the 5th grade students each year. Eisenhower Elementary has had two students' posters that were chosen as district winners in 2017 and 2018.

FISCAL NOTE:

None

COMMISSION ACTION OPTIONS:

Proclaim October 30th, 2020 as Arbor Day in the City of Abilene.

CITY OF ABILENE
STATE OF KANSAS

Proclamation

WHEREAS, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, AND

WHEREAS, this holiday, called Arbor Day was first observed with the planting of more than a million trees in Nebraska, AND

WHEREAS, Arbor Day is now observed throughout the nation and the world, AND

WHEREAS, trees in our city increase property values, enhance the vitality and beauty our community, and provide an inviting environment for visitors, AND

WHEREAS, the City of Abilene has been recognized as a Tree City USA for **28 years** by The National Arbor Day Foundation and desires to continue tree-planting and care of its trees.

NOW THEREFORE, I, CHRIS OSTERMANN, MAYOR OF THE CITY OF ABILENE, KANSAS, with the City Council, do hereby proclaim October 30th, 2020 as Arbor Day in the City of Abilene and urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, AND

FURTHER, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the City of Abilene, Kansas, this the 26th day of October 2020.

AGENDA ITEM HEADING:

Consider a property tax abatement application from DB Nibs LLC dba Don's Tire.

BACKGROUND:

Property tax abatement application was received from DB Nibs LLC dba Don's Tire on 9/24/20 along with the \$200 application fee. The cost benefit analysis was done by Wichita State University with assistance from DK County Economic Development Executive Director Chuck Scott. The Management Committee consisting of Jane Foltz, City Manager; Marcus Rothchild, City Finance Director; Chuck Scott, Executive Director of DK County Economic Development; and Kari Zook, Administrative Assistant met on October 2, 2020 to review and discuss the steps moving forward with the application.

Certified letters were sent to four entities including DK County Board of County Commissioners, Abilene Cemetery District 1, USD 435 and Hospital District No. 1 of Dickinson County, KS on October 6, 2020. A public hearing notice was published in the Abilene Reflector Chronicle on October 8, 2020 for a hearing that is scheduled for 4:00 p.m. on Monday, October 26, 2020 at the Abilene Public Library.

Per Resolution No. 120913-2, this application does not go before the Planning Commission. Instead it goes straight to the City Commission to adopt an ordinance specifying the annual abatement and the length of the abatement. The ordinance shall outline annual job creation targets and the method for decreasing the abatement if the annual job creation targets are not met. The ordinance may also specify any payment-in-lieu of tax which will be paid by the applicant to the City.

Additional information requested:

Current status of past/present abatements – 2003 abatement is complete. 2014 abatement runs through December 31, 2023. The new property tax abatement will only be valid for the 2,998 sq ft expansion occurring in 2021 for two new service bays (see fiscal note below regarding additional details). In the application from Don's Tire for this property tax abatement on the new expansion, they are creating 2 new positions during 2021, 1 during 2023 and 1 more during 2029.

FISCAL NOTE:

Based on the projects capital investment of \$330,000 and the creation of 4 new full time equivalent jobs, the expansion project qualifies for a tax exemption of 60% for years 1-5 and 30% for years 6-10 on the increased value of the property that results from this project. They will also make a payment in lieu of taxes based on the current value of the property.

COMMISSION ACTION:

Hold public hearing and adopt proposed resolution and ordinance

Abilene, KS 67410

City Commissioners:

Attached is a Board of Tax Appeals of the State of Kansas Economic Development Exemption application for a property tax abatement related to our expansion of Don's Tire at 714 S. Buckeye. We have also included a cost-benefit analysis, per City policy. The Center for Economic Development and Business Research at Wichita State University has prepared the cost-benefit analysis with the assistance of the Dickinson County Economic Development Corporation. The benefit ratio to the City of Abilene is 2.36, meaning that we are returning \$2.36 for every \$1.00 of tax abatement that we will be receiving. The benefit to each of the other taxing jurisdictions is at least 2.23.

This expansion will include constructing a 2,998 square foot addition to our shop building, which will allow us to add two new service bays. The additional bays will enable us to provide more workspace for our employees and increase the amount of service that we can perform. With this addition, we will be expanding our staff with four new employees.

The total cost of the expansion is expected to be at least \$330,000 and will begin the fall of 2020 and will be complete mid-year 2021.

If you have any questions, please let me know.

Sincerely,

Don Nebelsick, President

City Commissioners
c/o Jane Foltz, City Manager
City of Abilene, KS
419 N Broadway Ave.
P.O. Box 519
Abilene, KS 67410

Commissioners:

I have reviewed the request from D.B. Nibs, LLC and believe that it meets the requirements for the City of Abilene's Tax Abatement Policy and also Part II of Resolution No. 032904-1 for Ad Valorem Property Tax Exemption based on the following minimum policy requirements:

1. Estimated capital investment of \$330,000.00.
2. 4 new full-time employees.

D.B. Nibs, LLC owns the land where Don's Tire operation is located. Don's Tire is a warehousing, distribution, and service center for vehicles specializing in tires and treads. They distribute tires and tracks to a large portion of Kansas and other areas in the Midwest, which benefits the City of Abilene through increased employment and capital investment as well as increased sales and ad valorem tax revenue.

D.B. Nibs, LLC, has included their letter of application. They have also included the tax abatement exemption application, CTA-EDX application that is used by the State of Kansas Board of Tax Appeals for tax abatement requests, as well as the required application fee. They are also submitting the cost-benefit analysis that DKEDC assisted in preparing with assistance from The Center for Economic Development and Business Research at Wichita State University.

Based on the number of jobs created, and the capital investment, the benefit ratio to the City of Abilene from this project is 2.36. The project returns \$2.36 for every \$1.00 of tax exemption received per the City policy. The project meets the City base exemption policy of capital investment of at least \$250,000 and the creation of at least 2 new full-time equivalent jobs. Based on the project's capital investment of \$330,000 and the creation of 4 new full-time equivalent jobs, the project qualifies for a tax exemption of 60% for years 1-5 and 30% for years 6-10 on the increased value of the property that results from this project. They will also make a payment in lieu of taxes based on the current value of the property.

Based on D.B. Nibs, LLC, meeting the minimum requirements of the City of Abilene's Tax Abatement Policy and also Part II of Resolution No. 032904-1 for Ad Valorem Property Tax Exemption and having provided all documents requested in the policy, I would recommend that the City Commission for the City of Abilene, Kansas consider approving the tax abatement request from the company.

Sincerely,

RESOLUTION NUMBER 102620-1

A RESOLUTION OF THE CITY OF ABILENE, KANSAS, MAKING CERTAIN FINDINGS OF FACT AS REQUIRED BY K.S.A. 79-251, AS AMENDED, WITH RESPECT TO A PROPERTY TAX EXEMPTION TO BE GRANTED TO D.B. NIBS, L.L.C. FOR CERTAIN IMPROVEMENTS TO REAL PROPERTY LOCATED AT 714 S. BUCKEYE AVE., ABILENE, KANSAS, AND PROVIDING CERTAIN TERMS AND CONDITIONS.

WHEREAS, the Board of City Commissioners has adopted a policy pursuant to Section 13 of Article 11 of the Kansas constitution and K.S.A. 79-251 for the granting of exemptions from ad valorem taxation for economic development purposes (the “Policy”); and

WHEREAS, D.B. Nibs, L.L.C. (the “Applicant”), formally applied for tax exemption under the Policy by an application dated September 21, 2020 (the “Application”); and

WHEREAS, the Board of City Commissioners has reviewed the Application and an analysis of estimated costs and benefits of the proposed tax exemption; and

WHEREAS, the Board of City Commissioners has advertised and held a public hearing this day to consider the Application, **SO NOW, THEREFORE**

BE IT RESOLVED by the Governing Body of the City of Abilene, Kansas:

Section 1. That in accordance with K.S.A. 79-251(b), notice of the public hearing was published in the official city newspaper at least once seven days prior to the hearing and that written notice of the public hearing was provided to Dickinson County Board of County Commissioners, Abilene Cemetery District 1, Hospital District No. 1 of Dickinson County, Kansas, and Unified School District 435.

Section 2. That in accordance with K.S.A. 79-251(c), and in reliance upon the Applicant’s representations contained in the Application, the Governing Body finds:

- (A) That the property for which the exemption is to be granted will be used exclusively for the purposes specified in Section 13 of Article 11 of the Kansas constitution; and
- (B) That the Applicant is currently a local business and is not relocating from one city or county to another within the state of Kansas.

Section 3. That the Applicant be granted exemption from ad valorem taxes for property located at 714 S. Buckeye Avenue, in Abilene, Kansas, under terms of the Policy and the conditions set out herein.

Section 4. That tax exemption shall apply to building additions and improvements constructed between October 26, 2020 and October 26, 2021 for an approximately 2,998 square foot addition (the “Project”) to facilities located on the following described property:

All of Lots One (1), Two (2), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), Nineteen (19), Twenty (20), Twenty One (21), Twenty Two (22) and Twenty Three (23) and the South 40 feet of Lots Three (3),

Four (4) and Five (5), all in Block Nine (9), Central Park Addition to the City of Abilene, Dickinson County, Kansas, together with vacated Kuney Street and Olive Street and all alleys located within said Block 9.

Section 5. That no exemption shall hereby be granted for taxes due on the above described land nor any existing buildings and improvements located thereon. In addition, the tax exemption shall not affect the liability for any special assessments levied or to be levied against the above-described property.

Section 6. That the tax exemption shall be for a term of ten (10) years, with an exemption of sixty percent (60%) granted for years one (1) through (5), and thirty (30%) for years six (6) through ten (10), provided that the Applicant's investment in the Project and its level of employment at the Project upon completion is at least equal to that stated in the Application to the City for ad valorem tax exemption as presented to the Governing Body this date. Such exemption will begin the calendar year after which the expansion of the Applicant's facility commences operations and continue for not more than 10 calendar years (the "Exempt Period").

Section 7. That the amount of property taxes not exempted during the Exempt Period shall be paid annually to the County Treasurer. The County Treasurer shall distribute said payments to affected taxing jurisdictions according to the provisions of K.S.A. 12-148. Failure to fully make such payments when due shall be deemed grounds for the revocation of said tax exemption.

Section 8. That the Applicant shall submit all annual report(s) as required by the Policy for as long as the exemption remains in effect.

Section 9. That the Applicant shall be responsible for filing the appropriate tax exemption claim forms as required by the statutes of the State of Kansas.

Section 10. The Board of City Commissioners shall have the right to revoke this tax exemption for failure to comply with the terms and conditions of this resolution.

ORDINANCE NUMBER 20-3391

AN ORDINANCE EXEMPTING CERTAIN PROPERTY OWNED BY D.B. NIBS, L.L.C. LOCATED AT 714 S. BUCKEYE AVE., ABILENE, KANSAS FROM AD VALOREM TAXATION.

BE IT ORDAINED by the Governing Body of the City of Abilene, Kansas:

SECTION 1. D.B. Nibs, L.L.C. (“Company”) is hereby granted exemption from ad valorem taxes for property located at 714 S. Buckeye Ave., Abilene, Kansas, under the terms of the Ad Valorem Property Tax Abatement Policy of the City of Abilene, Kansas (“Policy”) and limitations set out herein (the “Exemption”), all pursuant to Section 13 of Article 11 of the Kansas Constitution and K.S.A. 79-251.

SECTION 2. The Exemption shall only apply to building additions and improvements constructed between October 26, 2020 and October 26, 2021 for an approximately 2,998 square foot addition (the “Project”) to facilities located on the following described property:

All of Lots One (1), Two (2), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), Nineteen (19), Twenty (20), Twenty One (21), Twenty Two (22) and Twenty Three (23) and the South 40 feet of Lots Three (3), Four (4) and Five (5), all in Block Nine (9), Central Park Addition to the City of Abilene, Dickinson County, Kansas, together with vacated Kuney Street and Olive Street and all alleys located within said Block 9.

SECTION 3. On October 26, 2020, the Governing Body conducted a public hearing on the granting of the Exemption after publishing notice of the public hearing and notifying in writing the affected taxing districts in accordance with K.S.A. 79-251(b).

SECTION 4. The Governing Body finds that the property for which the Exemption is to be granted will be used exclusively for the purposes specified in Section 13 of Article 11 of the Kansas Constitution, specifically the storing of goods or commodities which are sold or traded in interstate commerce, which is necessary to facilitate the expansion of Company’s business, and which expansion will create new employment.

SECTION 5. No exemption shall be granted for taxes due on the above described land nor any existing buildings and improvements located thereon. In addition, the tax exemption shall not affect the liability for any special assessments levied or to be levied against the above-described property.

SECTION 6. The Exemption shall be for a term of ten (10) years, with an exemption of sixty percent (60%) granted for years one (1) through (5), and thirty (30%) for years six (6) through ten (10), provided that the Applicant’s investment in the project and its level of employment at the project upon completion is at least equal to that in stated the Application to the City for ad valorem tax exemption as presented to the Governing Body this date. Such exemption will begin the calendar year after which the expansion of the Company’s facility commences operations and continue for not more than 10 calendar years (the “Exempt Period”).

SECTION 7. That the amount of property taxes not exempted during the Exempt Period shall be paid annually to the County Treasurer. The County Treasurer shall distribute said payments to affected taxing jurisdictions according to the provisions of K.S.A. 12-148. Failure to fully make such payments when due shall be deemed grounds for the revocation of said tax exemption.

SECTION 8. That the Company shall submit all annual report(s) as required by the Policy for as long as the Exemption remains in effect.

SECTION 9. That Company shall be responsible for filing the appropriate tax exemption claim forms as required by the statutes of the State of Kansas.

SECTION 10. The Board of City Commissioners shall have the right to revoke the Exemption for failure to comply with the terms and conditions of this Ordinance.

SECTION 11. This Ordinance shall be in full force and effect from and after its adoption and publication once in the official city newspaper by the following summary:

AGENDA ITEM HEADING:

Consider amending the zoning regulations adding section 20-14 designating and regulating Critical Drainage Areas within the City of Abilene

BACKGROUND:

During the process of researching the NE drainage solution, staff at the time concluded that a building permit does not have a strong authority to require a drainage study for projects that could have an impact on drainage within the City. Small additions to buildings, parking lots, etc. do not require a full development review meeting nor do they go before a commission for approval. It was recommended that the City look for a long-term solution regarding drainage by creating Critical Drainage Zones. These would be overlay zones that would apply to identified parts of town that struggle with drainage problems and would require a drainage study to be done on certain improvements.

This ordinance would establish the ability to create these zones. Zones would be identified by the City Engineer, Public Works Staff and Planning staff. If a drainage problem is solved, you would then remove the designation from the area. When a critical drainage is designated, it would be recommended to add an overlay to Munilogic so when a building permit comes in it is flagged needing a drainage solution/study.

It was recommended that the Planning Commission review this Critical Drainage ordinance before taking it to the City Commission. The proposed addition was published in the Abilene Reflector Chronicle with notification of the Public hearing which was held on October 6, 2020 with the Planning Commission. Having no public attend the hearing the Planning Commission moved to recommend the adoption of the Critical Drainage ordinance to the City Commission.

ORDINANCE NO. 20-3392

AN ORDINANCE AMENDING THE ZONING REGULATIONS FOR THE CITY OF ABILENE, KANSAS TO ADD A NEW SECTION 20-14 CONCERNING THE DESIGNATION AND REGULATION OF CRITICAL DRAINAGE AREAS WITHIN THE CITY OF ABILENE, KANSAS.

BE IT ORDAINED, BY THE GOVERNING BODY OF THE CITY OF ABILENE, KANSAS:

SECTION 1. Article 20 of the Zoning Regulations for the City of Abilene, Kansas is hereby amended by adding a new Section 20-14, to read as follows:

SECTION 20-14 CRITICAL DRAINAGE AREAS

12-1401. Definitions. As used in this article, the following terms shall be defined as follows:

- (1) *Critical drainage area* is an area designated on the official zoning map of the city that is subject to periodic flooding due to stormwater ponding or sheet flow.
- (2) *Development* means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, levees, levee systems, mining, dredging, filling, grading, paving, excavation or drilling operations, or storage of equipment or materials.
- (3) *Substantial improvement* means any reconstruction, rehabilitation, addition, or other improvement of a structure, the cost of which equals or exceeds fifty (50) percent of the market value of the structure before the start of construction of the improvement. This term includes structures, which have incurred substantial damage, regardless of the actual repair work performed. The term does not, however, include either:
 - (i) any project for improvement of a structure to correct existing violations of state or local health, sanitary, or safety code specifications that have been identified by the local code enforcement official and which are the minimum necessary to assure safe living conditions, or
 - (ii) Any alteration of a historic structure, provided that the alteration will not preclude the structure's continued designation as a historic structure.
- (4) *Substantial damage* means damage of any origin sustained by a structure whereby the cost of restoring the structure to pre-damaged condition would equal or exceed fifty (50) percent of the market value of the structure before the damage occurred.
- (5) *Historic structure* means any structure that is: (a) listed individually in the National Register of Historic Places (a listing maintained by the department of interior) or preliminarily determined by the secretary of the interior as meeting the requirements for individual listing on the National Register ; (b) certified or preliminarily determined by the secretary of the interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the secretary to qualify as a registered historic district; (c) individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the secretary of the interior ; or (d) individually listed on a local inventory of historic places under a historic preservation program that has been certified either:
 - (i) By an approved state program as determined by the secretary of the interior; or

(ii) Directly by the secretary of the interior.

12-1402. Critical drainage areas. Critical drainage areas may be designated by the board of city commissioners following a report and recommendation from the planning commission. The city engineer shall identify areas that should be considered for designation as critical drainage areas. No development or substantial improvement may be undertaken within a critical drainage area without first obtaining a permit from the zoning administrator. The zoning administrator shall not approve any development which does not provide adequate drainage improvements so as not to inordinately expose the development as well as surrounding land to increased stormwater flooding. The drainage improvements shall be designed in accordance with criteria established by the city engineer. The city engineer shall review proposed drainage improvement plans and advise the zoning administrator if such plans comply with established criteria. The completion of said improvements shall be the responsibility of the applicant. This regulation shall not apply to any platted lot zoned single-family residential, regardless of size, nor any platted lot containing less than ten thousand (10,000) square feet of land area, regardless of the zoning classification.

SECTION 2. This ordinance shall be in full force and effect from and after its adoption and publication once in the official city newspaper by the following summary:

AGENDA ITEM HEADING:

Consider Electronic Media Center text amendment

BACKGROUND:

In late 2019, we discovered that all the Electronic Media Centers (EMC's) were out of compliance with their Conditional Use Permit (CUP) regarding message transition timing.

Currently nearly all eight CUP's require the message change to be "no less than 15 seconds". It has been found by staff that the average transition time of all EMC's in town are closer to five seconds. One EMC owner expressed that 15 seconds was too long and requested it be considered changed.

Staff researched where the 15 second rule came from. In that research, staff found that the rules regarding EMC's was changed in 2015. The original rules (amended once in 2012 to address historic districts via ordinance 3205) included the 15 second rule. In 2015, Jim Kaup, who consulted with the City on zoning regulation updates, recommended that the EMC rules be changed from 15 seconds to 3 seconds along with other updated prescriptive requirements, some of which were in the original ordinance. During public hearings of the new proposed zoning regulations, community members criticized the EMC rules stating they were too burdensome. Thus, leaving no prescriptive rules or guidance.

Having no guidance in the code, this language resulted in staff using the retired rules as their staff recommendation for each CUP application, which was adopted by the Planning Commission and City Commission for each application.

That recommendation consistently included:

- Only one (1) Electronic Media Center per property
- Static, non-animated messages and image only (no video)
- Message change no less than every 15 seconds
- Dimming device or means of glare reduction must be installed and implemented after sundown

Further research into the 15 second condition also determined that there was no public safety caution to a transition time of less than 15 seconds. Communities across Kansas require transition times of as fast as 3 seconds or as slow as 20 seconds. The U.S. Department of Transportation, Federal Highway Administration found that there was no identifiable relation between Electronic Media Signs and car crashes in their white page "Research Review of Potential Safety Effects of Electronic Billboards on Driver Attention and Distraction".

The Planning Commission reviewed the text amendment at their October 6, 2020 meeting and voted to recommend that the City Commission approved the attached text amendment for Electronic Media Centers.

ORDINANCE NO. 20-3393

AN ORDINANCE AMENDING SECTION 27-401 OF THE ZONING REGULATIONS FOR THE CITY OF ABILENE, KANSAS CONCERNING REQUIRED MESSAGE HOLD TIMES FOR ELECTRONIC MESSAGE CENTER SIGNS WITHIN THE CITY OF ABILENE, KANSAS.

BE IT ORDAINED, BY THE GOVERNING BODY OF THE CITY OF ABILENE, KANSAS:

SECTION ONE. Section 27-401 of the Zoning Regulations for the City of Abilene, Kansas is hereby amended to read as follows:

27-401.

- a. Sign Height: Sign height shall be measured from the ground elevation at the base of the sign to the highest element of the sign. No sign may exceed the maximum height permitted for buildings in the zoning district in which the sign is located. Except that interstate advertising signs (on premise) may be sixty-five (65) feet above the interstate roadbed and associated bridges and ramps, with a maximum height of eighty-five (85) feet. Where the interstate roadbed is below the grade elevation of adjoining property, the maximum sign height shall be sixty-five (65) feet. This height may be increased provided a sign survey indicates a need for visibility at 1/2 mile, which will allow a safe exit from the inside lane of the interstate highway, with a maximum height of 110 feet.
- b. Illuminated Sign: A sign designed to give forth artificial light or designed to reflect light derived from any source, shall comply with the following:
 1. Illuminated sign shall be designed so as to reflect or direct light away from any residential dwelling district.
 2. Lighted signs in direct vision of a traffic signal shall not be in red, amber, or green illumination.
- c. Flashing or Moving Signs: Any illuminated sign on which the artificial light is not constant in intensity and color at all times. For the purpose of this regulation, any revolving, rotating, moving, animated, signs with moving lights or signs which create the illusion of movement shall not be permitted except Christmas or other holiday lights during a period four (4) weeks preceding such holiday. Such signs shall comply with the following:

A sign whereon the current time and/or temperature is indicated by intermittent lighting shall not be deemed as a flashing sign if the lighting changes are limited to the numerals and any ancillary messages (such as community events).

Electronic Message Centers shall be permitted in Commercial and Industrial Districts only upon issuance of a conditional use permit in accordance with Article 26. In considering a conditional use permit application the Planning Commission and

Governing Body may impose requirements related to size, maximum illumination (including incorporating automatic dimmer controls), and hours of operation, or other conditions as deemed necessary and appropriate by the Planning Commission and Governing Body; provided, however, that all Electronic Message Centers now or hereafter approved by conditional use permit shall be allowed to have a minimum message hold time of three (3) seconds, and in considering a conditional use permit application, the Planning Commission and Governing Body shall not require a message hold time of greater than three (3) seconds.

- d. Accessway: No sign shall block any required accessway.
- e. Signs on Trees or Utility Poles: Except where otherwise specifically allowed under these regulations for temporary signs, no sign shall be attached to a tree or to a publicly or privately owned utility pole on either public or private property.
- f. Temporary Sign: Temporary signs are signs which are not permanently mounted to the ground or to a building. Temporary signs shall be allowed without a permit if they comply with the following requirements:
 - 1. Posters and banners of a commercial nature shall only be allowed within commercial or industrial zoning classification and on non-residential properties within residential zoning classifications. Flags (no more than 2 per allowed sign) shall be allowed in residential zoning classifications only in new developments and subdivisions during periods of active construction and shall be located with or mounted on monument or construction signs.
 - 2. Posters shall be attached flat against a building and shall not exceed thirty-two (32) square feet in area.
 - 3. Posters and banners shall be limited to advertising an award, special product, or sale within the building to which the poster or banner is attached.
 - 4. Banners or streamer/pennants shall be attached to privately owned and maintained poles that are located on private property.
 - 5. A banner or pennant may not hang lower than 15 feet over a vehicular path/drive and 12 feet over a pedestrian walkway.
 - 6. Banners that are attached flat against a building may not exceed 200 square feet and 32 square feet if not attached flat. All permanent wall signs, banners, pennants collectively may not exceed 10% of the wall space. All permanent ground signs, and ground mounted banners collectively may not exceed 200 square feet of sign face.
 - 7. Both the business and property owner are responsible to keep any poster, banner, or pennant in good repair and condition. Any poster, banner, or pennant in deteriorated condition, hazardous to persons, or unsightly shall be removed.
 - 8. Construction and contractor yard signs and garage sale signs.

- g. Projecting Signs: Projecting signs shall not extend over the public right-of-way, except as allowed in this subsection in the C-4 district. Projecting signs shall be allowed in the C-4 District subject to the following restrictions.
 - 1. No projecting sign shall be maintained less than nine (9) feet, nor more than fifteen (15) feet above, the sidewalk over which it is erected.
 - 2. No projecting sign shall project more than five (5) feet beyond the face of the building to which it is attached, and shall not extend over any public driveway, alley or thoroughfare used for vehicular traffic.
 - 3. No projecting sign shall exceed twelve (12) square feet in surface area.
 - 4. A projecting sign shall project at a ninety (90) degree angle from the building to which it is attached.
 - 5. No applicant shall be granted a permit to erect a projecting sign until he/she has furnished proof of insurance satisfactory to the Zoning Administrator stating that the applicant's coverage extends to the proposed sign and any injuries arising therefrom.
- h. Metal Signs: Signs constructed of metal and illuminated by any means requiring internal wiring or electrically wired accessory fixtures attached to a metal sign shall maintain a free clearance to grade of nine (9) feet. Accessory lighting fixtures attached to a non-metal frame sign shall also maintain a clearance of nine (9) feet to grade. No metal ground sign shall be located within eight (8) feet vertically and four (4) feet horizontally of electric wires or conductors in free air carrying more than 48 volts, whether or not such wires or conductors are insulated or otherwise protected. All such signs shall conform with the City's adopted Electrical Code.
- i. Traffic Safety:
 - 1. No sign shall be maintained at any location whereby reason of its position, size, shape or color, it will, in the determination of the Zoning Administrator, obstruct, impair, obscure, interfere with the view of or be confused with any traffic or railroad control sign, signal or device, or where it may interfere with, mislead, or confuse traffic.
 - 2. Any sign located within two (2) feet of a private driveway or within a parking area shall have its lowest elevation at least ten (10) feet above the curb level; however, in no event shall any sign except wall signs and awnings, canopy or marquee signs be placed so as to project over any public right-of-way.
 - 3. No sign shall be placed in the sight triangle as defined in this subsection unless the bottom edge of such sign is greater than 12 feet above the ground. No pole or structure supporting such sign shall have a width exceeding two (2) feet. The minimum area included in a sight triangle shall be bounded on two sides by the centerline of each street, and on the third side by a line connecting the two

centerline at points a distance of 90 feet from the intersection of the centerline. This distance shall be increased to 120 feet on State or Federal highways and on arterial streets as defined by the Comprehensive Plan.

- J. **Lineal Street Frontage:** In those districts where gross sign area is allocated based on lineal street frontage and the tract or parcel is adjacent to more than one street, street frontage shall be computed as follows:
- I. For those tracts or parcels located on major streets as designated in the Comprehensive Plan, the lineal street frontage shall be the length of that property line abutting the major streets.
 2. For those tracts or parcels not located on a major street, the lineal street frontage shall be one-half (1/2) of the sum of all the street frontage.

SECTION TWO. Existing Section 27-401 of the Zoning Regulations of the City of Abilene, Kansas is hereby repealed.

SECTION THREE. This ordinance shall be in full force and effect from and after its adoption and publication once in the official city newspaper by the following summary:
