The Building Standards Board met last week and made the decision to move the 2018 version of the International Building Code. Currently we work under the 2009 version. Moving to the newer version will help bring us up to date with trends and changes in building codes and helps with economic development through consistency in standards for new businesses and major remodel projects.

The Police Department remodel is inching closer to starting. We are still working with the Kansas Historical Society on a couple of tax credit questions and should have that wrapped up in the next week or two.

AGENDA ITEM HEADING:

Establish Maximum Annual Mill Levy for Abilene Public Library

BACKGROUND:

K.S.A. 12-1220 allows the Governing Body to establish a maximum annual mill levy to limit the taxes levied for the maintenance of the Abilene Public Library. This must be done by ordinance, and it sets the "not to exceed" mill levy amount.

Establishing a maximum mill levy allows the city staff to better anticipate the overall budget each year and makes the budget process more efficient.

The library can budget more efficiently by knowing up front how much they have to budget for every year.

The tax levy for the library in 2021 is 8.22 and for 2022 will be 8.034. While the mill levy decreased by 0.186, the overall budget increase slightly from \$521,061 to \$521,980 due to increased valuation.

Staff proposes setting the maximum mill levy for maintenance of the library at 8.22 mills.

FISCAL NOTE:

N/A

COMMISSION ACTION:

Approve Ordinance establishing a maximum mill levy at 8.22 mills for the library.
